PURPOSE

Arrowhead Connections is an organization of business persons created to stimulate the business climate for members through exchange of ideas, information and business referrals, and are committed to the highest standards of professional ethics and are dedicated to assisting other members to achieve success through cooperation, friendship and allegiance. Members are committed to providing quality products and service to customers and are steadfast to maintaining the needs of other members clearly in mind and actively seeking opportunities to give referrals and do business directly with other members whenever possible. Members are also committed to attending regular monthly meetings to share ideas, information and connections.

MEMBERSHIP

- Membership shall consist only of active members who are business professionals of outstanding reputation and integrity.
- Only one member shall be permitted from each trade or business. That member will only promote the approved area of business to the group.
- Each member is expected to attend all regular meetings. However, an alternate may represent the member from time to time on a limited basis. However, if a "Company" desires to replace an existing member or an alternate's attendance becomes regular, then such person must also satisfy the requirements of membership
- If a member is absent for two consecutive meetings, or otherwise excessively absent, that person will be deemed to no longer be a member and that business category will be open for new membership.
- Licenses - If the profession of the applicant requires licensing to practice legally, the applicant must have and produce a current license.
- Membership dues are \$25.00 per quarter and \$25 one-time setup fee. If a membership lapses for over 30 days, the member will become inactive and the member may re-activate their membership (within 3 months) for a re-instatement fee of \$25 plus dues. After 3 months, the member will make application as a "New Member". Dues are payable to Jireh Communications Inc.
- Right of Refusal - The Application Committee has the right to refuse membership to an applicant that does not meet the requirements, or that is found to be unprofessional, and therefore a liability to the reputation of the Association.
- Complaints & Removal - If any Arrowhead Connections member receives three "strikes" within one year of the first complaint, their membership(s) will be revoked without membership fee(s) refunded. The member will be allowed to re-apply for membership after one year.
